Education

Tongji University , Computer Science and Technology	Shanghai, China
• Advisor: Prof. Guosun Zeng	2023 – 2026
Dalian Maritime University , Intelligence Science and Technology	Dalian, China
	2019 – 2023

Experience

Alibaba , Incoming Remote Intern	Remote
Targeting self-evolving AI systems, with a focus on recursive self-improvement and open-ended learning.	2026 – 2026
	1 year
Shanghai Artificial Intelligence Laboratory , Researcher	Shanghai, China
Conducted research on memory-augmented AI agents and multimodal reasoning.	2025 – 2026
• Advisor: Dr. Ding Wang	1 year
Beijing Jinxixin Network Technology Co., Ltd. , Algorithm Engineer	Shanghai, China
Constructed and trained vertical domain large models for maritime law scenarios.	2025 – 2025
	1 year
Shanghai NIO Automobile Co., Ltd , Embedded Engineer	Shanghai, China
Controlled steering systems using multimodal sensing for rollover prevention in tire blowout scenarios.	2023 – 2023
	1 year

Awards

National College Mathematics Competition, National First Prize	2022
Top 1% nationwide among participants.	
Dalian Maritime University	
Excellent Student Scholarship	2021, 2022
